NOTES FROM THE PRINCIPAL

Dear Ashley Families,

Our Ashley staff is very excited to kick off March is Reading Month with “One Book One School”. We are excited to celebrate a One Book One School Book Recommendation, entitled, “The Very Very Far North.” We would like to send a special thank you to our PTG for purchasing all of the books for our Ashley students and their families.

All classes will also have the opportunity to visit the Reading Stage which has been transformed into the very far North. Here students will be able to read with characters from the book. Teachers and their classes can sign up to go to participate in a quiet reading session by enjoying a book of choice.

We are very excited to Welcome Scholastic Book Fair. This event is sponsored by our PTG and will be run by our librarian. Please keep an eye out for our Scholastic Book Fair Flyer!

As you all know reading paves the way for the future of our children. Take part in an at home challenge by visiting the library 3 times this month and setting a family reading goal. Act as a role model and engage your young reader in books, magazines, and our print rich environment!

Please follow along with all of the exciting events this month listed in our Reading Month Calendar.

Our Positivity Project continues to grow as we cheer others on, appreciate the beauty around us and share our enthusiasm for learning! We look forward to approaching Spring and the opportunities it has to offer!

Sincerely,

Mrs. VanHulle
