This Agreement, entered on the August 25, 2021, to June 30, 2022, is between the Board of Education of the Anchor Bay School District, Counties of Macomb and St. Clair, State of Michigan (the “Board” or “Employer”) and the Anchor Bay Paraprofessional Association, MEA/NEA, (the “Association”).

This recognition clause applies to employees and not to work.
- 1.02: All pre-paraprofessionals and paraprofessionals, excluding all secretarial positions, inclusive of central office receptionist, administrative positions, security personnel, and all other employees.

ARTICLE 2 RIGHTS AND RESPONSIBILITY OF THE BOARD

- 2.01: The Board on its own behalf of the electors of the District, retains and reserves unto itself without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of Michigan and the United States, including but without limiting the generality of the foregoing the right to:
- 2.01.01: The executive management and administrative control of the District and its properties, facilities, and activities of its employees.

- 2.01.03: Decide on the means and methods of performing the work covered by this Agreement.
- 2.01.04: Establish the grades and courses of instruction, including special programs, and

to provide for athletic, recreational, and social events for the students, all as deemed necessary or advisable by the Board.

2.01.05: Determine the work schedules, hours of work, duties, and assignments of employees subject to the rights set forth in this Agreement and so long as those positions/employees who qualified for benefits on October 1, 2002 are not fractionalized resulting in a loss of benefits.

2.02: The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of related policies, reasonable rules and regulations, and practices, and the use of judgment and discretion in connection therewith, shall be limited only by the specific terms of this Agreement to the extent that those terms which conform with the laws and Constitutions laws of Michigan and the United States.

2.03: The Board's rights and responsibilities delineated above are subject to the PERA, as amended.

ARTICLE 3 REPRESENTATION

3.01: The Board will be advised of the names of the local Association bargaining unit committee when and as they are appointed and/or elected.

3.02: At the beginning of the school year, the Association shall advise the Board of the officers and building representatives to cover the employees in the bargaining unit. The Board will be advised of temporary appointments in the absence of the regular building representative and the Board shall continue to deal with such representative until an official written notice of change is given to the Board.

3.03: Building representatives shall be permitted time during the work day to investigate grievances; however, such investigation shall not interfere with an employee's duties which are absolutely necessary at the time to the operation of the District.

3.04: Vacancies occurring in bargaining unit positions shall be posted by the Board on designated bulletin boards. Employees interested must submit a letter of intent during the posting period. In addition, the chapter chairperson and secretary of the Association shall receive a copy of employment postings, school calendar, and changes of employment status related to paraprofessionals and such postings or notices shall be considered informational only.

3.04.01: The Board shall furnish the Chapter Chairperson and Secretary one (1) copy each of the names of persons hired, within two (2) weeks following employment.

3.05: At the beginning of the school year, the Board shall provide the Association with a copy of the chain of command and any changes thereafter.

**ARTICLE 4
SENIORITY**

- 4.01: Unit seniority shall commence with the first date of employment to a permanent position in the bargaining unit. Involuntary layoffs will not result in lost time. Time lost as a result of non-compensable leave shall be subtracted from accrued seniority. Time lost shall be subtracted on a full month basis using the majority of work days in a month as the determiner. Seniority adjusted as a result of time lost shall be reflected on the ensuing November seniority list. (Example: First date of employment from January 1, 1990 less time loss of six (6) months seniority date adjusted to July 1, 1990.)
- 4.01.01: A seniority list of employees will be furnished to the Association by November 1st, setting forth the order of seniority by name and by accrued seniority in the bargaining unit. The seniority of more than one employee hired on the same date and having achieved the same accrued seniority shall be determined alphabetically by last name, first name, and middle initial. The Association will be provided a list of terminated employees and newly-hired employees who have completed their probationary period.
- 4.01.02: Part-time employees shall receive sick leave and holiday pay on a pro-rated basis determined by a fraction the numerator of which shall be the hours worked by the employees and seven (7) hours as the fractional denominator. Part-time employees are not eligible for vacation benefits
- 4.01.03: Each employee and the Association shall have accepted the seniority list in total if no objections have been received within five (5) working days following the distribution of the seniority list.
- 4.01.04: Seniority acquired by an employee from another bargaining unit may be used in this unit for fringe benefits only and only to the extent that fringe benefits are available under this Agreement.
- 4.02: New employees hired by the District from the outside shall be probationary for the first sixty (60) work days of their work year. Upon success of completion of the probationary period, the new hire shall attain seniority status. New employees while in their probationary period may be terminated without recourse to the grievance procedure, but shall be represented by the Association for all other purposes under this Agreement. Employees during their probationary period are not entitled to fringe benefits earned by regular assigned employees not on probation.
- 4.03: Seniority shall be broken and employment in the District ended if the employee:
- 4.03.01: Quits.
- 4.03.02: Is discharged and the discharge is not reversed through the grievance process.

- 4.03.03: Is absent for five (5) consecutive work days without proper notice to the Employer and fails to give a satisfactory explanation for the absence.
- 4.03.04: Fails to return to work when recalled from layoff as set in the recall procedure provided herein.
- 4.03.05: Overstays a leave granted for any reason under this Agreement.
- 4.03.06: Is on layoff for a period exceeding one (1) year or the duration of their seniority at the same time of layoff, not to exceed two (2) years.
- 4.03.07: Desires to return back to the bargaining unit twelve (12) months or more following a promotion outside the bargaining unit.
- 4.03.08: Is on non-compensable leave of absence for a period greater than two (2) years in duration.

ARTICLE 5 FORCE REDUCTION

5.01: Reduction in force (layoff) may occur because of a decrease in operating revenue, declining enrollment, or a decrease in work. The decision of the Board as to whether there shall be layoffs is final. Layoff shall take place by classification within the paraprofessional unit according to need as determined by the Employer. The least senior employee(s) in the affected classification(s) shall be reduced. Classifications will be defined below as paraprofessionals and pre-paraprofessionals.

1. PARAPROFESSIONALS

- a) Office Data Paraprofessionals
- b) Library Technology Paraprofessional
- c) Medical Assistant Paraprofessionals
- d) Office Paraprofessionals (all paraprofessionals working in offices)
- e) Instructional, Special Education, Elementary, Secondary, Title I, and Grant-based Paraprofessionals

2. PRE-PARAPROFESSIONALS

Once an employee acquires paraprofessional status, the employee will always maintain that status for bidding purposes only.

5.01.01: In the event of layoff, District representatives will meet and inform representatives of the Association of the reductions to be made, as set forth in 7.02.01.

- 5.01.02: For each layoff period, reduced employees have the right to accept the layoff or exercise their seniority right to bump. In exercising a bump, reduced employees shall displace the least senior employee in their classification, subject to 6.01.05. No employee may exercise bumping rights into a classification for which he/she does not have the qualifications to perform the duties of the position. No employee may exercise bumping rights into another position resulting in a promotion. The term “promotion” is defined as any increase in hours or wage. Employees cannot bump into a position with an increase in hours. If no position exists with equal hours, the employee will bump the least senior employee in the position with the closest amount of hours.
- 5.01.03: The least senior employee(s) who remains unplaced after the bumping is completed shall be laid off. EX: The least senior paraprofessional will be laid off in his/her classification. Paraprofessional and pre-paraprofessionals may not bump into each other’s classification.
- 5.01.04: An employee bumping into another job must be qualified and able to perform the job satisfactorily within sixty (60) work days. If the bumping employee does not meet this standard, the bumping employee shall be removed from the position and placed on layoff status. The next most senior employee on layoff status in the affected area will be offered the position.
- 5.01.05: The above layoff procedures do not apply to the normal reduction of work force during the time school is not in session during the summer months.
- 5.02: The Employer shall notify in writing the employee(s) to be laid off at least ten (10) work days before such layoff. If bumping results from the layoff, the first employee affected shall exercise her/his bumping rights in writing within two (2) work days of layoff notice. A general membership meeting will be held immediately thereafter with all employees. All bumping must be completed before the layoff date.
- 5.03: The Employer shall provide the Association President and the Association Secretary a copy of the layoff notice before the notice is sent to the employee(s) affected.
- 5.04: In an emergency which requires the layoff of employees, the employees affected may be laid off without regard to seniority for periods of short duration. This section shall operate only when the layoff period is five (5) work days or less. In such event, the affected employees may continue their pay through use of vacation or sick pay.
- 5.05: The Association President, Vice President, Grievance Chair, Association Secretary, and Association Treasurer shall have preferential seniority for the purpose of layoff, provided such employees are qualified to perform the job available.
- 5.06: Laid off seniority employee(s) shall be recalled in the inverse order of layoff. The senior employee(s) shall be recalled to the first available opening for which he/she possesses the

required qualifications for the position. Notice of recall shall be accomplished by both mailing a certified letter to that employee's last known address and attempting to reach that residence by telephone. A copy of the recall notice will be sent to the Association President. The employee shall report to work within seven (7) days after the mailing date of the certified letter. An employee who fails to timely report upon recall shall be terminated.

ARTICLE 6
TRANSFERS, VACANCIES, NEWLY-CREATED POSITIONS,
AND BIDDING PROCEDURES

6.01: A vacancy is defined as an existing job classification becoming vacant as a result of transfer, resignation, termination, newly-created position, or expansion of the existing work force within the bargaining unit. The addition of one-half (1/2) hour or less to a daily work schedule does not create a vacancy. This section does not apply to vacancies outside the bargaining unit.

6.01.01: All vacancies shall be posted in all buildings within five (5) work days from the date of the vacancy and shall be filled either through a lateral transfer, the bidding system or new hire in accordance with these procedures.

6.01.02: The notice posted shall set forth the job title, responsibilities, qualifications, number of hours, and location of the vacancy.

6.01.03: Posting of job vacancies shall be for a period of five (5) work days, during which time the employee desiring to bid for the job shall forward to the Central Office a letter expressing interest within this time limit. An employee's failure to apply during this time bars that employee from a grievance for not being selected.

6.01.03.01: Employees applying for positions in the management or instructional categories must meet minimal training qualifications for the assignment. Opportunities to complete minimum qualifications for each position will be offered at least once each year by the Employer at times other than work hours. Completion of training for a future position shall not be considered compensable time. For unique positions, a mentoring paraprofessional shall be provided to familiarize the new employee with the specific program.

6.01.03.02: All affected paraprofessionals will be provided appropriate MISD-based training, at District expense, to meet state or federal standards necessary to maintain employment in their specific position. Every Student Succeeds Act (ESSA).

6.02: For a vacancy in the unit, the most senior employee qualified will be selected. Movement from one job to another as a result of bidding shall comply with Sections 7.02.01 and 7.03.

6.02.01: Movement from one job to another will be based on seniority, qualifications, performance, and ability. Minimum qualifications for the job categories below shall include but not be limited to the following:

1. PARAPROFESSIONALS

- a) Office Data Paraprofessionals: Demonstrated ability to operate district software applications, MCIR, and office copy machines.
- b) Library Technology Paraprofessionals: Demonstrated ability to use computers to manage instructional software, operate audiovisual equipment, operate library catalogue systems, and trouble shoot computers.
- c) Medical Assistant Paraprofessionals: Knowledge of basic non-medical procedures specific to student IEPs, first aid, and proper aseptic techniques. (Training until demonstrated ability to be proficient within 19 work days. . .)
- d) Office Paraprofessionals: Ability to operate district software applications, demonstrated ability to be proficient in discipline and instructional techniques. Training until demonstrated ability to be proficient within 19 work days.

2. PRE-PARAPROFESSIONALS

Because new technologies may change minimum requirements, the provisions above are subject to change by the District. Training will be provided according to Section 6.01.03.01.

6.02.02: The filling of a vacancy remaining open after the conclusion of the bid procedure outlined above shall be filled by a qualified applicant at the District's discretion within a reasonable time period.

6.02.03: A position posted as a temporary position may only be filled for thirty (30) work days. After thirty (30) work days, the position must be posted as permanent position.

6.03: Employees selected for vacancies through any process including posting or bidding shall be given a trial period not to exceed twenty (20) work days following assignments to demonstrate their ability to meet the standards of performance in the new job. The purpose of a trial period is to determine whether an employee who possesses the basic qualifications can satisfactorily do the job. During this time, the employee shall be permitted to transfer

back to their former job or location at his/her request or shall be transferred back at the District's request on failure to meet the standards of performance required. The decision as to the employee's performance shall be based on the District's opinion and in consultation with the Association leadership, which is subject to the grievance procedure.

6.03.01: An applicant for a vacancy or a newly-created position who is denied such position shall be notified. The senior employee bidding on a position in a new classification within the bargaining unit, if she/he has not been granted the promotion, shall upon request, be given the reason in writing. The decision as to qualifications shall be based on the District's opinion which is subject to the grievance procedure.

6.03.02: During the bidding procedure, the job opening may be filled temporarily as determined by the District.

6.03.03: A vacancy brought about through sickness, accident, or which is less than ninety (90) days of non-compensable leave shall not be subject to this section.

6.04: Whenever a lateral vacancy is filled, that employee is expected to remain on the job for a period of not less than one (1) year from the closing date of the bid before being permitted to exercise his/her rights to bid on another lateral vacancy. This requirement does not apply for promotional opportunities within the bargaining unit. Thereafter, Article 7 shall apply.

6.04.01: A temporary vacancy in a 7-or 8-hour position will be filled with the senior qualified employee within the building working six (6) hours or less. If this employee accepts, he/she will be paid their regular rate of pay.

6.04.02: Whenever a vacancy occurs as a result of the bidding process, a meeting (non-compensable) will be called during the bidding period in which all personnel shall be notified so that all qualified applicants are present for the purpose of exercising their right to bid and a determination of filling each vacancy shall be finalized within five (5) days.

6.05: Senior employees within the affected building will be given first preference in filling a bargaining unit day-to-day position provided they are qualified, unless the temporary reassignment would cause undo disruption of the educational processes within the building.

ARTICLE 7 PROMOTIONS OUTSIDE THE BARGAINING UNIT

7.01: If a bargaining unit employee is selected for promotion, a trial period not to exceed twenty (20) days shall be granted in which to demonstrate the ability to satisfactorily meet the standards and perform the duties of the job. During this time the employee is entitled to transfer back to his/her former job at either the employee's request or the District's request. (Selection for such position shall be at the District's discretion and shall not be the subject matter of the grievance procedure or any other procedure.)

7.02: If the employee returns to the bargaining unit during the trial period, he/she shall return to the employee's former position with no loss of previously-accrued seniority, including time spent in the trial period.

ARTICLE 8 GRIEVANCE PROCEDURE

8.01: A claim by an employee or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement shall be deemed a grievance.

8.02: The time limits for movement of a grievance through the process shall be strictly followed and may be relaxed or extended only by mutual consent of the parties in writing. If the Association fails to appeal a grievance or appeal a District answer within the particular time limit or fails to comply with the written requirements at each step of the grievance procedure, the involved grievance shall be deemed abandoned and settled on the basis of the District's last answer, if any. If the District fails to supply the Association with its answer to the particular step within the specified time limits, the grievance shall be automatically positioned for appeal at the next step within the time limit for exercising that appeal, commencing with the expiration date of the District's grace period for answering.

8.03: All specified time limits consist only of assigned work days.

8.04: Each grievance must be initiated within ten (10) days of the occurrence of the cause for complaint, or, if neither the aggrieved nor the Association had knowledge of the occurrence at the time of its happening, then within ten (10) days of the first such knowledge by either the aggrieved or the Association. However, any monetary compensation shall be limited to ten (10) work days before the filing of the grievance. Employees shall be considered to have knowledge of information appropriately published by the District. Settlement of delayed grievances, as provided, shall not be retroactive to any date prior to the date of the filing.

8.05: STEP 1

8.05.01: The aggrieved employee(s) may take the matter up with their building principal or department director on an informal basis.

8.06: STEP 2

8.06.01: If the matter is not resolved informally, a written grievance may be filed with the Central Office Administrator, as designated by the Superintendent, within ten (10) work days following the informal meeting.

8.06.01.01: The written grievance shall set forth a specific article or paragraph of the article allegedly violated, misinterpreted, or

misapplied, along with a statement of the relief sought and signature of the aggrieved person and the Association Representative.

8.06.01.02: Within ten (10) work days after receiving the grievance, the designated administrator shall meet and within ten (10) days of the meeting state his/her decision in writing, and shall forward a copy to the aggrieved party and to the Association.

8.07: STEP 3

8.07.01: If the matter is not resolved at the Step 2 level, a written grievance may be filed with the Superintendent or designee within ten (10) work days after receiving the decision of the Central Office Administrator.

8.07.01.02: The appeal shall be in writing and shall be accompanied by a copy of the original grievance.

8.07.01.03: Within ten (10) work days after receipt of the appeal, the Superintendent or designee shall commit in writing to the Association and the aggrieved party.

8.08: STEP 4

8.08.01: If the Association is dissatisfied with the decision of the Superintendent or designee, the Association may within ten (10) work days file a written notice to the other party of its intent to arbitrate.

8.08.01.01: Upon the Employer's receipt of the written notice of intent to arbitrate a particular grievance which has been submitted to the Local 1 Arbitration Department, all time limits for arbitration in the Agreement shall be held in abeyance. If the Employer determines sufficient time has elapsed to process the grievance, the Employer may activate the tolling of the time limits by serving notice to the Local 1 Arbitration Department. The notice shall be delivered to MEA/NEA Local 1 Arbitration Department by certified mail notifying MEA/NEA Local 1, 38550 Garfield, Suite B, and Clinton Township, MI 48038-3427. The time limits to select an impartial arbitrator shall begin on the 10th work day after receipt of such notice.

The parties shall attempt to agree on an impartial arbitrator. If they cannot so agree within ten (10) work days of the request for arbitration, then the party requesting arbitration shall, within twenty (20) work days from the date of the intent to arbitrate, file a demand for arbitration with the American Arbitration

Association, sending a copy of that demand to the opposite party. The arbitration shall be conducted by the American Arbitration Association.

- 8.09: The arbitrator shall have no authority to arbitrate any complaint that is not an alleged violation, misinterpretation, or misapplication of specific provisions of this Agreement.
- 8.09.01 If the grievance sought to be arbitrated is not specifically covered by this Agreement, then the arbitrator shall have no authority to rule on the merits of the grievance.
 - 8.09.02 The conduct of the hearing shall be paid one-half (1/2) by the Association and one-half (1/2) by the Employer. All other expenses shall be borne by the party incurring them.
 - 8.09.03 So long as the arbitrator does not exceed his/her authority as provided in this Agreement, the arbitrator's decision is final and binding on the Association, all bargaining unit employees, and the Employer.
 - 8.09.04 The arbitrator shall have no authority to issue a decision on the merits of a prohibited or illegal bargaining subject. If the arbitrability of any grievance is disputed, the arbitrator shall have no jurisdiction to render a decision on the merits until he/she has first made a ruling on the arbitrability issue. By stipulation of the parties of the grievance, the arbitrator may concurrently hear both the jurisdictional issues and the merits of that dispute in the same proceeding. If the arbitrator determines that he/she is without jurisdiction to rule, the matter shall be dismissed without decision on the merits.
 - 8.09.05 The arbitrator shall have no authority to order retroactive back-pay beyond the grievance date for the affected position from other district sources and shall deduct from such back-pay an amount equal to any compensation the grievant may have received for the affected positions from other District sources during the applicable time period.
 - 8.09.06 The arbitration proceedings will be conducted pursuant to the Michigan Uniform Arbitration Act, MCL 691.1681 et seq.
 - 8.09.07 Notwithstanding any other provision in this Agreement, the Employer shall have no obligation to arbitrate any grievance after the expiration of this Agreement. The Employer, however, shall arbitrate grievances arising during the term of this Agreement for which a timely grievance was filed before the Agreement's expiration.
- 8.10: Neither party shall be permitted to assert in such arbitration proceedings, any grounds, or to rely on any evidence not disclosed to the other side by at least the third (3rd) Step.

- 8.11: A grievance may be entertained in or advanced to Step 2 of the grievance procedure if the parties jointly agree.
- 8.12: In grievances involving discharge, the Association President will be notified in writing of the action taken. Such disciplinary action shall be deemed final and automatically closed unless a written grievance is filed at Step 3 within three (3) work days from the time of presentation of the notice to the President. If a written grievance is filed, the Superintendent or designee shall have five (5) work days in which to arrange a meeting. Normal time limits shall apply thereafter.
- 8.13: The selection of the grievance procedure or any other forum for dispute resolutions involving matters included in this Agreement shall be mutually exclusive. If courts, either federal or state, M.E.R.C., or this grievance procedure is begun, any other procedure is temporarily postponed until the dispute is resolved. This provision shall not deny an individual employee to pursue multi-forums for dispute resolutions.

**ARTICLE 9
DISCIPLINE AND DISCHARGE**

- 9.01: Any discipline including discharge shall be for just cause.

**ARTICLE 10
NO STRIKE**

- 10.01: For the duration of this Agreement, the Association will not engage in, authorize, or encourage any concerned interruption of education or subsidiary-related activities due to a cessation, withdrawal, or withholding of services either in whole or in part by bargaining unit employees for any reason. No officer or representative of the Association or bargaining unit employee is empowered to provoke, instigate, cause, participate in, assist, encourage, or prolong any such prohibited activity. The Board shall not authorize or encourage the same nor lock out employees. Employees violating any of the above conditions shall be subject to disciplinary action, including discharge.
- 10.02: The Association shall have no liability under this article if it posts notices immediately at any or all schools affected, advising that such action is unlawful, in violation of this Agreement, and not authorized by the Association. The Association will also advise any and all employees involved, including notification to the communications or press media as requested by the Employer, that such employees are in violation of the Agreement and that all employees involved shall promptly return to their regular duties.

**ARTICLE 11
PHYSICAL EXAMINATIONS**

- 11.01: The initial medical examination for employment of new personnel is to be paid by the District and shall consist of a negative T.B. test. Health examinations shall comply with Section 11.02.

11.02: HEALTH EXAMINATION PROCEDURES

- 11.02.01: When school employees are required by law to furnish evidence of a negative T.B. test, that test will be given to all employees in the bargaining unit and the employees shall not be charged for that test. At the time of the TB test, employees on scheduled work will be temporarily released from their job without loss of pay. Employees not on scheduled work shall initiate attendance for this skin test.
- 11.02.02: Employees who show a positive reaction upon taking a skin test will submit to a chest x-ray by the Macomb County Health Department within two (2) weeks from the notice date of such reaction or within two (2) weeks after receiving notice from the Health Department to report for an x-ray. Payment by the District, if any, shall be limited to the cost of the x-ray only. Employees on scheduled work will be temporarily released from their job without loss of pay.
- 11.02.03.01: An employee, who in the performance of his/her job responsibilities, comes in contact with any student's blood or other bodily fluids, will be advised of all health risks as permitted by law. All employees shall be provided with appropriate medical coverage for any work-related health problems without regard as to whether the employee otherwise qualifies for medical health insurance.
- 11.02.04: If there is medical evidence or reason to suspect that an employee is not able to perform the essential functions of his/her job, the District may require that the employee be examined by a physician or psychiatrist appointed by the District, at the District's expense. The opinion of the District's doctor shall be final unless challenged by the employee and the challenge is upheld by a medical doctor specializing in the area of medicine at issue, who is selected by the District and the Association and paid by the District. The determination of such mutually selected expert shall not be grievable or subject to any further challenge.
- 11.02.05: Any employee unable to work due to illness, may be required to provide evidence from a physician (M.D., D.O.) to establish that the employee's condition warrants his/her return to work. If an employee is absent for work as a result of illness for a longer period of time and in the opinion of the Board there is uncertainty as to the employee's ability to perform the essential functions of his/her job or uncertainty as to the employee's condition, the Board may require that the employee be examined, at the District's expense, by a physician appointed by the District who shall certify whether the employee is capable of performing the essential functions of his/her job and is able to return to work. The opinion of the District's doctor shall be final, subject to the following: At the employee's request, another examination shall be scheduled

in which the cost shall be borne by the District, by an appropriate specialist in the area of controversy, selected by District and the Association for final determination in the matter which shall be binding on the parties.

**ARTICLE 12
