## Stay N' Play

**Our Stay N' Play Program is for children enrolled in the District's ECSE or GSRP programs.**

The Stay N' Play program is designed for families needing child care before and/or after their child's school day. Children may be brought to the Early Childhood Center beginning at 6:00am. Children may choose to have breakfast before they board a school bus to take them to their class. After their school day they will be brought back to the Early Childhood Center for the remainder of the day. Parents must provide a lunch and beverage each day. Children will have the opportunity to play outside or in the Recess Room, have an afternoon rest, followed by free choice play, creative art projects and more outdoor play.

Our staff provides that loving and nurturing "home away from home" atmosphere for each child.
