 - Parent Pick-Up- across from the playground/in front of blue fence

- Parent Car Riders in Grades 1st – 5th: Exit using Door #10

For parent pick up and drop off, we are asking for parents to remain in cars when possible and follow the "loop" to drop students off or pick them up directly in front of Door #10. This will help us make sure that all students are safe and the traffic flow can be managed. As an alternative, parents can park in a designated parking spot and walk their child up to the door or pick them up from Door #10. Please be patient and help us remind students of all school safety expectations.

At this time, we are still not allowing parents to walk through the building. If you have supplies to drop off, please label them clearly with your child's name and teacher name and put them on the table in the vestibule inside Door #1 or send them in with your child.

We appreciate your patience and understanding as we work to get students in and out of the building safely.

Thank you all for your support and for trusting us with your children.
