#### Spring Kindergarten Transition Night\*

**Wednesday, May 15<sup>th</sup>, 2024**

**5:30 PM-6:30 PM**

*\*Bring your kindergarten-age child, tour the school on your own, meet some of the Lighthouse Staff and participate in Hands-On learning activities to help your child get ready for school.*

Dear 2024-2025 Young Fives and Kindergarten Families,

Welcome to Lighthouse Elementary School. Thank you for providing enrollment documentation for your child to attend school in the Fall of 2024. This year, we have developed a Summer Kinder Readiness activity pack to help prepare your child for a full day of Young Fives or Kindergarten. We invite parents/guardians to come with their child on **Wednesday, May 15<sup>th</sup> from 5:30 -6:30 PM**. Join us for a fun, interactive hands-on transition event. During the evening, you and your child will have the chance to interact with the educational manipulatives and participate in hands-on learning activities.

By attending this event, your child will receive a pack of valuable resources to help prepare them for school in the Fall and make learning fun this summer. The tutors and teachers at Lighthouse Elementary have prepared activities that include manipulatives and games to play at home!

We look forward to sharing the Summer Kinder Transition activities with you and your child. This program has been developed as a parent/kindergarten readiness night; please make other arrangements for younger or older siblings.

Sincerely,

*Sherri Milton-Hoffman*
