

STUDENT OF THE MONTH

Our Student Of The Month program is designed to give special recognition to students that actively promote our positive school culture. These students are recognized by their teachers for their achievements by voting each month for a “student of the month”. Winners receive a certificate and acknowledgement during school on our school broadcast.

SAILOR SALUTE

Our Sailor Salute recognizes students who demonstrate positive school culture. Teachers and administrators give students a ticket when they witness a student doing something that promotes positive school culture. Students then put the ticket into a sailor salute jar. Tickets are collected and a drawing is held every Friday with winners receiving a prize.
