

# Kroger Community Rewards!

Please help our school earn money just by linking our organization to your Kroger Plus Card account. You still receive your own points while also helping us earn money for school supplies/events!

## 1. Create a digital account.

A digital account is needed to participate in Kroger Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

## 2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the Kroger Community Rewards selection on your digital account.

1. Sign in to your digital account.
2. Click on "My account" then select Community Rewards
3. Enter the name or NPO number of the organization you wish to support.

**Naldrett Elementary or GA815**

4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Kroger Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.
