Dear Anchor Bay Parent,

As we begin a new school year, we would like to share with you, Transportation information that will answer some of the questions you may have in regards to your child's transportation needs.

Please visit our website at www.anchorbay.misd.net for additional information.

Included on the site is the following

- Bus routes
- Alternate Bus forms
- Informational parent questions
- School times

Your children's bus information is included as stated on our web site and;

- In the August Voice Newspaper
- Mailing of a post card to arrive at your home in August
- Bus routes are posted in August at all Anchor Bay Schools

Please be sure to have your elementary student(s) address and phone information included in their back pack. The first couple of days can be confusing to our younger riders, this practice of including student information in their back pack will help to relieve anxiety, if a student is confused about his/her bussing information

We hope you had an enjoyable summer, and we wish your student a safe and rewarding school year. Please feel free to contact the Transportation Office with any questions or concerns.

Sincerely,
Mary Delor
Transportation Director
