- PSAT/SAT: Reading and Writing Score $\qquad$ $\geq 460$
- PSAT/SAT: Math Score $\qquad$ $\geq 510$

Rules and Eligibility for reimbursement from Anchor Bay Schools. Parents, Please Initial Each Line to Show Understanding of Rules and Eligibility:

File the Dual Enrollment application form by the $\underline{1}^{\text {ST }}$ Friday in October (10/4/2024) for the Winter semester. Classes taken at the college cannot conflict time-wise with classes at the high school. As a result, no classes should be taken before 3 PM. You will have to drop your college classes if there is a conflict with your high school classes.
Courses must not be offered by the district (AP level classes are for college credit) unless it is determined by the district that a scheduling conflict exists with the high school course.
The student is eligible to take 10 total college courses while enrolled at Anchor Bay.
If the course fulfills an MMC credit toward graduation, the grade will be included on the student's transcript and counted toward the GPA. If a class does not fulfill a graduation requirement, it will be reflected on the transcript as CREDIT/ NO CREDIT and will not be counted toward the GPA.
The student must be enrolled in both the school district AND the postsecondary institution during the same academic semester (the number of courses must total 6). If students take more than 6 classes, the student/family picks up the cost for the additional class(es).
The student must maintain regular attendance in all classes (high school and college).
The student must provide verification of college enrollment as requested by the school counselor.
The student must leave the Anchor Bay High School campus once the student has completed all high school classes for the day. In other words, students can only be in the high school when they have registered high school classes.
If a student drops or is dropped from a course or fails to receive college credit for a course, they will be responsible for reimbursement to the district for the class. Also, the student will not be eligible to enroll in future dual enrolled courses until reimbursement has been made to the district.
For 2024-2025, students are allotted $\$ 725.00$ for tuition, fees, and books per class. Any amount above this is the student's responsibility.
Anchor Bay School District is billed directly by the college. There is no reimbursement process for the student.

## Dual Enrollment Application - Anchor Bay High School

To the parents/guardians of Dual Enrolled students:
"A student that does not receive college credit for a course under the Dual Enrollment legislation is required to repay the school district (or the Department of Treasury in the case of a nonpublic school) any funds that were expended for the course that were not already refunded by the eligible postsecondary institution. If the student does not repay the funds as described in [MCL 388.514], the district may impose sanctions as determined by school policy. A student may take dual enrolled courses (including ones that were previously taken unsuccessfully) if the funds are repaid and if they still meet all other eligibility requirements."
