

ASHLEY ELEMENTARY

STAFF LIST & PHONE/VOICE MAILBOXES

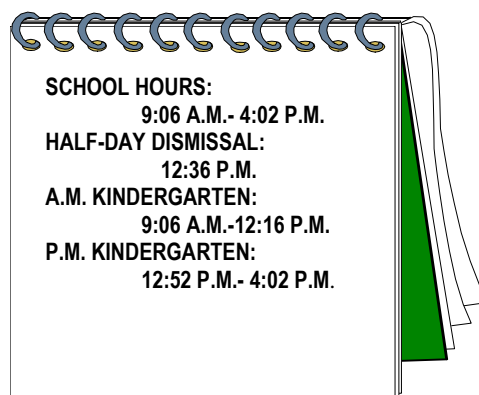

Revised 9/1/09

All schools in the Anchor Bay School District have Voice Mailboxes for all staff. When you call our school after office hours, you will hear our recorded message with options. You may enter the person's voice mailbox at any time to bypass the message and leave your message. If you wish to call direct to your child's teacher's voice mailbox, dial (586) 648-2500 and enter the voice mailbox number. If you have caller ID, any call from Ashley will show as (586) 648-2500 CMC/Anchor Bay. This number is the main hub of all of the district calls. When we are calling you, we will identify ourselves as well as our phone number. We hope that this system is convenient for parents.

NOTE: Please remember to call our 24-hour Student Attendance mailbox—(586) 725-2801, Ext. 3.
