Shorts are not permitted for either gender and neither are flip-flop sandals or tennis shoes. Students will keep their caps and gowns after graduation. One tassel is enclosed with each cap and gown package. Lightly iron your gowns. Graduates are warned not to add anything to their cap and gown (no corsages taped signs, etc) Only ABHS cords and other school

distributed medals and honor cords are allowed. Leave all purses, handbags, cameras, sunglasses, etc with your parents. Please no gum chewing.

Behavior

Every effort is being made to ensure that the commencement is a dignified, memorable occasion that the Class of 2010 parents and friends will be able to remember with pride. Remember, graduation ceremony is a privilege-not a right. Between now and then, **if you make poor choices, you risk not walking the stage.** Guests and graduates are expected to conduct themselves in a dignified and courteous manner. Anyone in the audience with air horns or other noise makers will be asked to leave. Seniors whose conduct distracts from the ceremony will be excluded from the graduation ceremony.

Tassels

You may wear only the red and white tassel issued with your gown on you cap. Your tassel should hang on the right side of your cap until you receive your diploma. The Senior Class Officers and Student Council Representatives will give the instructions for turning of the tassels.

Processional

The procession into the arena will be led by those to be seated on the platform, followed by the members of the graduation class. Once you are in your rows, remain standing. Males are to take caps off during the National Anthem. The principal will instruct you to be seated.

Awarding Diplomas

Teachers will signal one row at a time to come toward the platform. Students will line up (holding their name cards) and wait to cross the platform. When you reach the announcer, give the index card to the announcer. Keep walking, as your name is read, proceed across the stage. Shake hands with your right hand and accept the diploma cover with your left hand. You will exit down the far ramp, receive your class flower and have your picture taken.

Recessional

At the conclusion of the ceremony, you will be dismissed row by row and pick up your diplomas at the rear of the arena.

Graduate Photographs

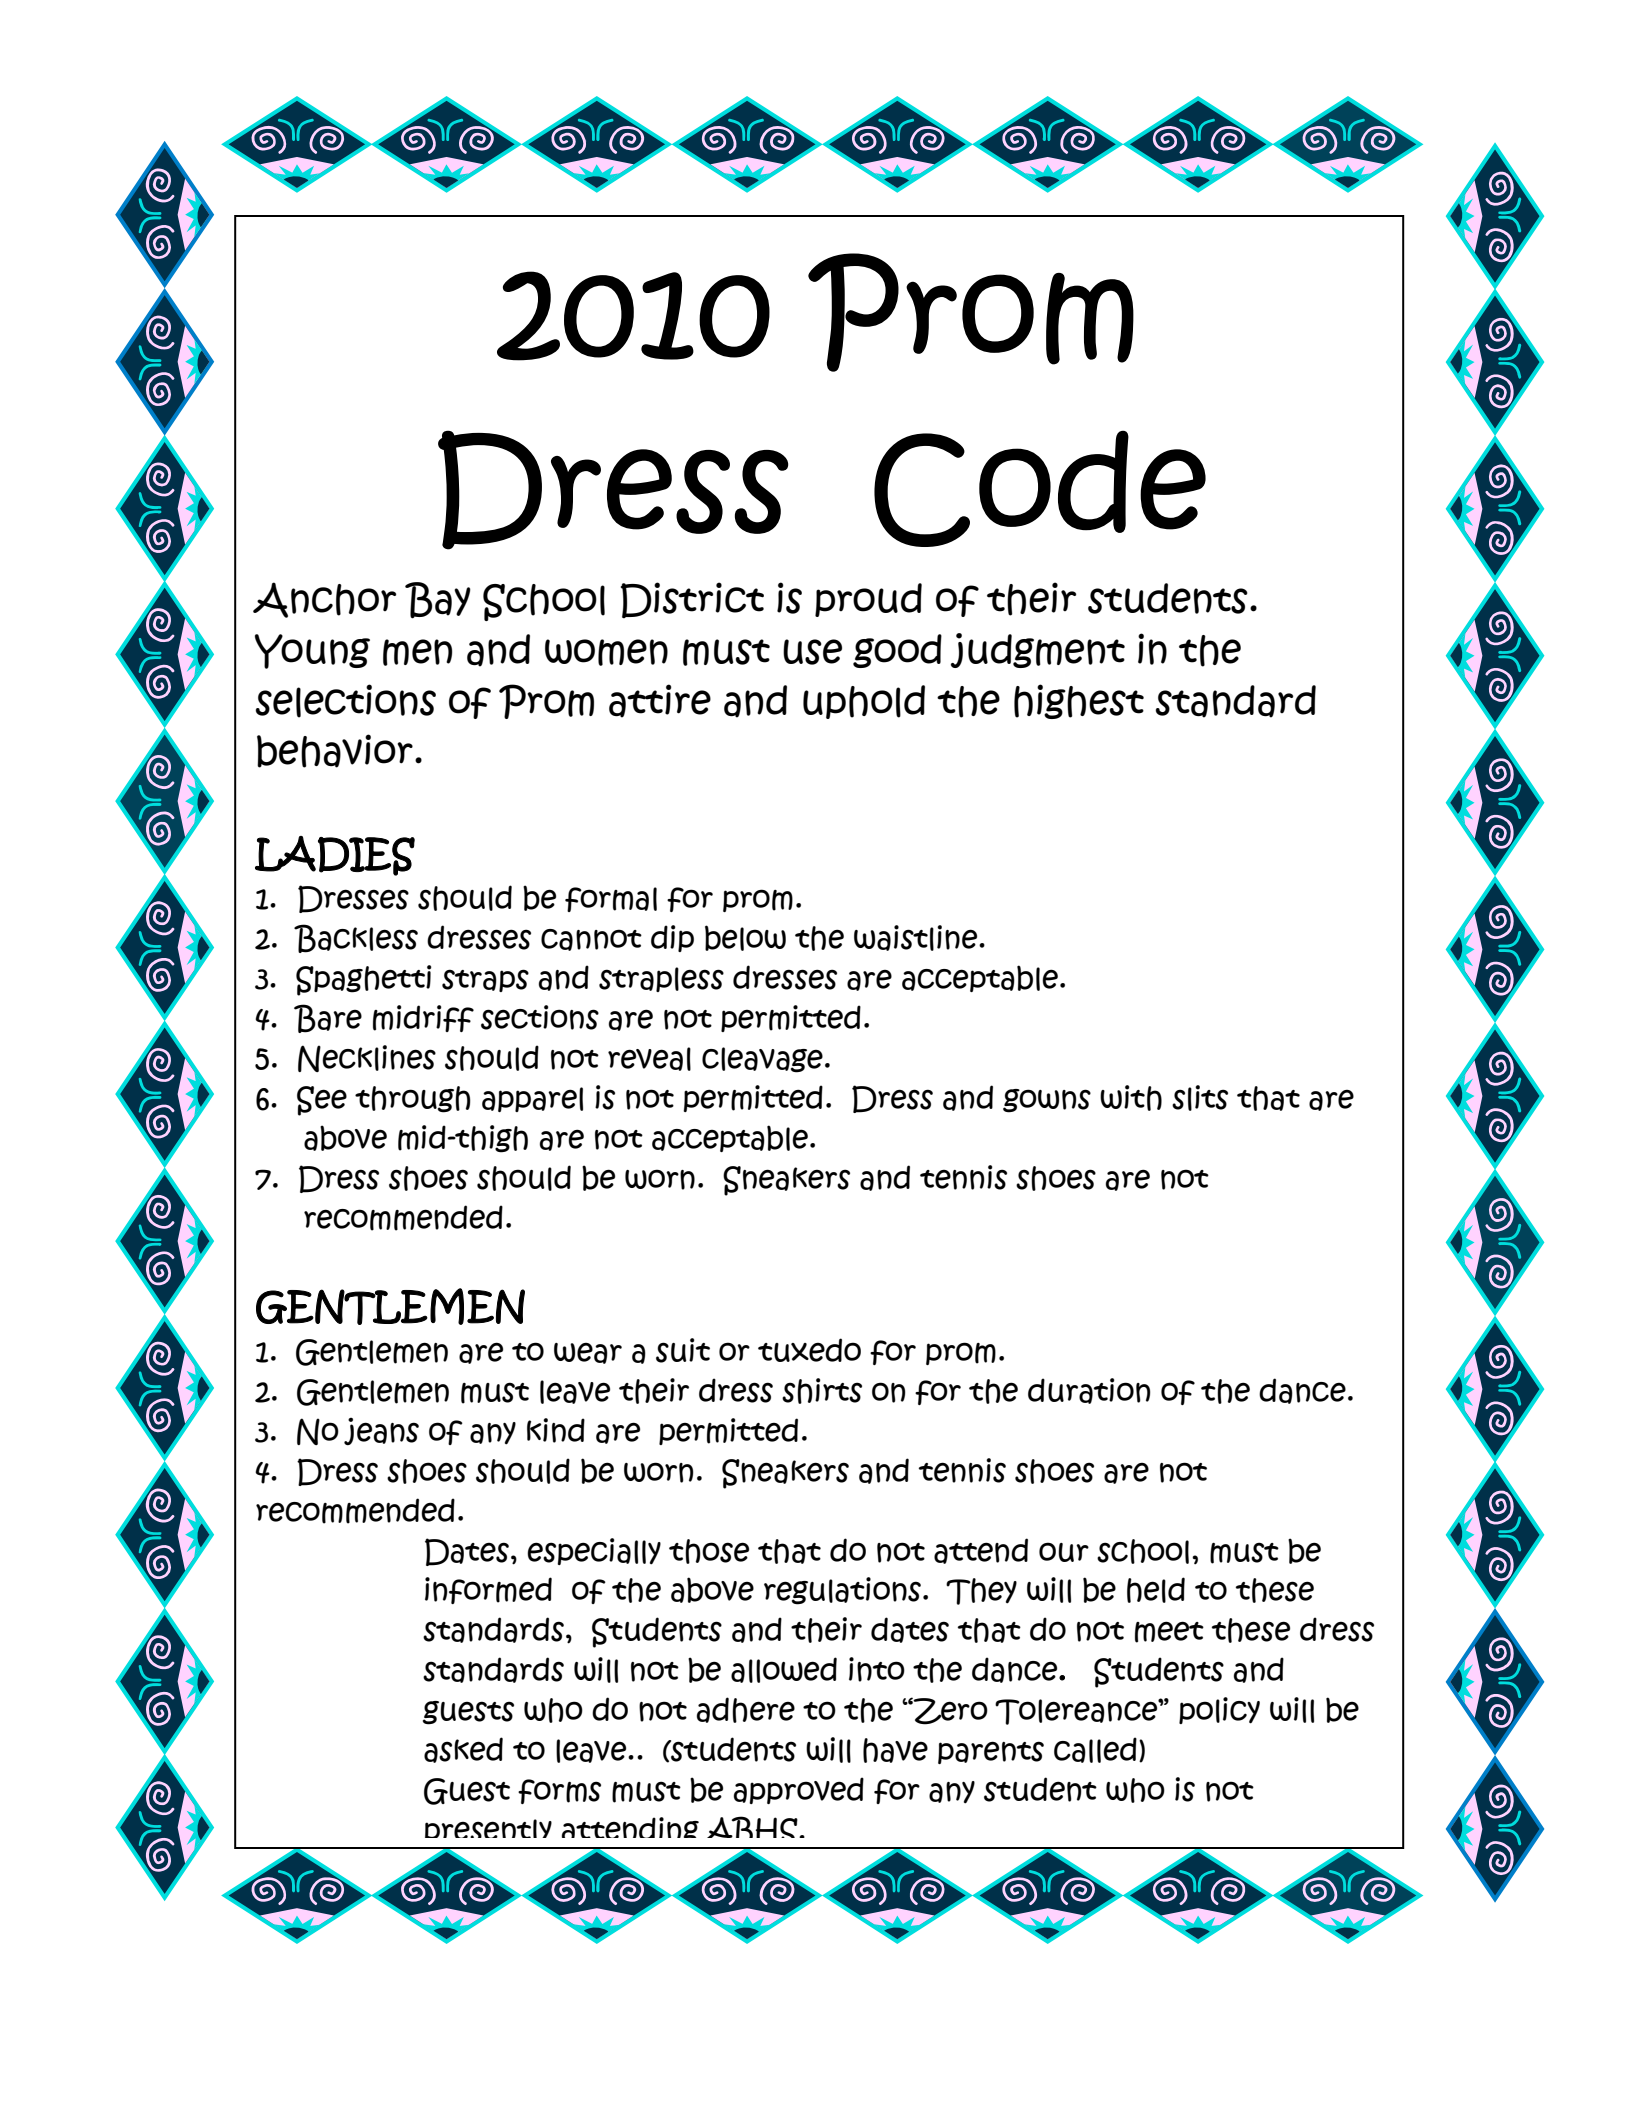

A photograph of the graduate will be taken after they cross the stage at Commencement. The photographer will send a proof home to each and every graduate. Families may place orders if they wish. The proofs will be sent about ten days after graduation.

Video Tape of Graduation

The school district will again be video taping the graduation ceremony. You can purchase a copy by contacting Channel 6 at Anchor Bay Middle School North. (586-725-7373 ext. 1713)
