

Learn *How* to Learn

Middle School

For Grades 5 - 9

Preparing for and successfully taking tests are two of the most important skills a student can have. The techniques presented in this class will improve students' abilities in both areas. Parent(s)/Guardian **MUST** attend. Please bring, if possible, a small tape recorder for use in the study techniques. Areas of concentration will include:

Strategies for matching questions

Avoiding freezing up on tests

Strategies for multiple choice questions

A new approach to flash cards

Strategies for true/false questions

Improving concentration

Answering essay questions

A test-taking prep check list

Using quizzes to improve test scores

The parental role in student success
