**NOTES FROM THE PRINCIPAL:**

As all of you know November is a very busy time of year. Please make sure you and your family take time to reflect on the many things you have to be thankful for. Thank you to our PTG for a month of fun with our All-Star Fun Run, Penny Wars, and our Ashley Fall Festival! We had a great turn out and served over 450 donuts!

I would like to personally thank all of you for supporting our students and our school community. Our fundraising efforts allow us to sponsor family events, provide learning presentations, support technology initiatives and put additional resources and supplies in the hands of our learners! We are excited to always provide current programming and learning opportunities to our All Stars!

It was great to see so many volunteers and families present for our Halloween Festivities and our Parade. Classroom assessments are being completed and report cards will be going home this month and look forward to Virtually meeting with our families during conferences. Please look for your conference time with your child's teacher

Students are showing great achievement using our Math Pathways approach to learning. Here all students receive different supports or are challenged in Math. Our Instructional Coach, is working in collaboration with our grade level teams! We are so excited to plan fun filled targeted activities for our students.

Our Ashley family continues to work on Positive Interactions, and the overall Social and Emotional Well Being of our children. We continue to creatively engage our students as we practice spreading kindness and trying utilizing all of our All-Star Character Traits!

Our Fourth Grade Class is working on a Special Holiday Community Project. We will be providing the city of New Baltimore with an outdoor holiday tree that will be used to decorate our community and to demonstrate team work, creativity and kindness.

Ashley Elementary is Thankful for our All-Star Community!

Respectfully,

Mrs. Melissa VanHulle
