Please join us for...

Ashley Elementary's Annual Walk to School Event

Wednesday, October 9, 2024 at 8:40 AM

Begin at Walter & Mary Burke Park (Front Street), End at Ashley Elementary

All Ashley Allstars and their families (All children must have an adult to accompany them on the walk)

**To celebrate physical fitness and the other benefits of walking as a school community
Allstar or Anchor Bay spirit wear or Red & White.**

Notes from the Principal:

Dear Ashley All Star Families,

Fall is here in full swing and we are off to a great start! Students have completed their first month of learning routines, schedules and curriculum. A special thank you to all of those who attended our Open House. It was great to see so many proud students sharing their families with our teachers. I would also like to thank our PTG board for the organization of our Ashley Fun Run! It was a huge success. We cannot thank our Ashley Community enough for the generous donations that will support all of our upcoming events and our classroom technology. We appreciate all of the volunteers and participants who helped to support our school. This event aligned with our Positivity Mission as we utilized team work, group cooperation, and showed kindness!

Mrs. Cmarik our Ashley Science Teacher provided a unique learning experience for all of our All Stars, with the use of the Portable Science Laboratory. The Science lab focused around the Farm, and what the Farm supplies us with. Each grade level received a personalized lesson based on Science curriculum. It was a hands on experience that was fun for all.

Our fourth and fifth grade students have enjoyed leading our morning announcements along with our Ashley All Star Song! Our fourth and fifth grade classes have also begun to participate as members of the Ashley Recycling Team. Students rotate and help to collect recycling bins from classrooms helping in turn to promote our Green School Initiative.

We are looking forward to celebrating Halloween Festivities. Please see the attached Halloween note, regarding building wide information. Specified classroom info will be coming soon.

Enjoy Your Weekend and Your Child,
Mrs. Melissa VanHulle

Principal

It is Time for the Annual Feed the Bay Food Drive! October 7th - 11th, 2024

Great Oaks & Ashley:

Easy Mac and Cheese
(2-3 oz.)

Overall, the most important precaution is to keep your child home if he or she is not feeling well or has any of the symptoms listed below. This simple act alone can reduce transmission more than any other action.

- Temperature 100.4°F or higher when taken by mouth
- Sore throat New or worsening cough, shortness of breath or difficulty breathing
- Diarrhea or vomiting
- Headache
- Chills (severe chills with shivering)
- Loss of taste or smell
- Runny nose or congestion
- Muscle Aches
- Fatigue
- Nausea

Our goal is to be able to keep students and staff safe and provide the best education possible. Through these guidelines developed with the Macomb County Health Department, based on the available data, we believe that we will be able to have a successful school year without interruption.

SEPTEMBER ANNOUNCERS

Ashley's 5th Grade announcers from Mrs. Bart's for the Month of September:

Sophia Carreri, Graysen Barnes, Louis Boggs, Derek Cuciurean,
Annalisa Downing, Morgan Gee, Cameron Hastings, Adrian Janicki, Levi Kartje,
Jackson Kosi, Elsie McCollum, Dominic Murdock

Also, we had Mrs. Beck's class lead us with the Ashley All-Star song, Miss Bart's class with Mr. M on guitar and Mrs. Bergeron's class sang our P2 song on the announcements

We would like to thank Mrs. Cmarik for bringing the Farm Science Lab to our students. They really enjoyed learning about different things to do with farms. The lessons that were taught are the following:

- Power of the Potato
- Build A Farm
- Simply MooVelous
- Forestry
- Window Garden
- Erosion

ASHLEY ALLSTAR FUN RUN
