Schedule Change Requests

Many classes are full and other class choices are extremely limited. Most students received their requested classes, so schedule changes may not be possible.

Schedule changes **will be considered** for the following reasons:

- The correction of an error in the schedule ex. 2 classes scheduled the same hour
- Missing a required class
- Failure of a prerequisite course
- Student scheduled for an incorrect course ex. wrong math class
- Have a B/A lunch

Schedule changes **will not be considered** for the following reasons:

- Teacher or lunch preference
- Change to be with friends
- Rearranging of classes

The last day to drop/add a semester one course or a full year course is Friday, September 6, 2024. The last day to drop/add a semester two course is Friday, February 7, 2024.
