

Naldrett Elementary
Star Council Parent Advisory Group

School Mission:

Naldrett staff, in partnership with parents and community, will provide a nurturing learning environment in which students can achieve their full potential.

District Mission:

Vision: Educational Excellence Together

Educate-Motivate-Collaborate-Cultivate

Mission: Empowering all students to succeed in an ever-changing world.

MISSION of the STAR COUNCIL

The mission of the Naldrett Elementary Star Council is to support the education of children at Naldrett Elementary by fostering relationships among the school, parents, and teachers. The Star Council will help provide our students with experiences that will enhance their learning and improve their quality of life. We believe in a close working relationship between home and school, where parents and teachers work together to provide our students with the best possible educational experience. All parents are welcome to join us for our meetings and participate in school events.

As a member of the Star Council, it is imperative that we value everyone's well-being and work towards our mission. All members must have the ability to have a good relationship with others, communicate, and be willing to collaborate. Our motto is **STUDENTS FIRST** and **ACADEMIC EXCELLENCE TOGETHER**. We will always be respectful to others, listen to opposing views and be willing to compromise. Any conduct detrimental to the interests of the school or in any such way that compromises the mission and vision will be addressed by the principal that their position or services as part of Star Council may no longer be necessary. The principal shall be considered an acting director and hold an advisory capacity on the committee chairs.
